

IFC-TOR GENERAL ASSEMBLY 2013
ASSISI, ITALIA
25-30 April 2013

“Rooted in Christ, On Fire with the Spirit, Go... Transform the World!”

FINAL STATEMENT

Serving God’s mission as brothers and sisters,
we are rooted and nourished in Christ and on fire with the Spirit.

Recognizing the challenges of today’s world,
we accept our responsibility for all of God’s creation.

In contemplation and through prophetic action,
we dream, explore and take new risks.

Together in simplicity and Franciscan joy,
as God’s instruments

we participate in transforming the world.

In the diversity of the one human family
and respecting the people of all cultures,

we commit ourselves in unity to living the Gospel interculturally.
We reach out to the people on the margins of society and Church,

especially women,

and we pledge ourselves to defend their cause.

This, we know, demands that we be transformed

as individuals and communities,

by the action of the Holy Spirit.

So..., Let us go.... Let us begin...!
